

Kendall Realty Consulting Group (Kendall RCG)'s Hospitality & Leisure specialty practice offers clients a specialized practice focused on understanding the intricacies of hospitality-related assets, including hotels, resorts, golf courses, gaming, marinas, and other specialty property types. We offer property lenders, developers, investors, management firms and owners and their legal representation the unique blend of research-based analytics and hands-on valuation and performance expertise for which Kendall RCG is known.

Kendall RCG Hospitality & Leisure's consultation experience and skill have assisted our clients through engagements involving hundreds of hotels, resorts, golf courses and other hospitality-related real estate projects in nearly every state in the U.S., as well as the Caribbean, Mexico, South America, Israel, and Asia.

With Kendall RCG Hospitality & Leisure's comprehensive market supply and demand research and thorough analysis, clients receive reliable opinions in a variety of report options – from the most basic “market snapshot” to the selection of the best site, or from the appropriate franchise for a proposed project to complete financial projections and complete appraisal reports. Litigation support assignments have included both single properties and large portfolios in multiple U.S. states as well as locales as far-flung as Singapore.

Specific real estate services offered by Kendall RCG Hospitality & Leisure include:

- Market Feasibility Studies
- Hospitality Franchise and Economic Impact Studies
- Evaluations and Financial Projections
